

Making the **HYSTERECTOMY** DECISION

REDHOTMAMAS[®]
outsmarting menopause[™]

Red Hot Mamas[®] programs are bi-monthly educational programs related to menopause and other midlife issues.

Menopause causes changes in the uterus that may require a hysterectomy. Learn about available options.

Speaker:
Sandra A. Rivard, MD,
from Central Carolina
Obstetrics and Gynecology

Tuesday, March 15
6:30 – 8 p.m.
